Founded in 1901

Thank you for inquiring about hosting a Golf Outing at Pine Orchard Yacht & Country Club.

Pine Orchard Yacht & Country Club was founded in 1901 when plans were drawn for the golf course. In 1917, yachting was added and in the early 1920's, the Clubhouse was moved to its current location.

Throughout the years, facilities were added and improved upon to reach our current amenities which include:

- A 9-Hole Golf Course
- 8 Har-Tru and 2 Hard Tennis Courts
- Heated Olympic Swimming Pool and Kidde Pool
- Men's, Women's, Boys' and Girls' Locker Rooms,
- and a 75-Slip Marina as well as our fine Clubhouse.

Our Clubhouse Manager Chris Goodwin works in conjunction with Joe Starzec, our head golf professional, to ensure your Golf Outing is a memorable event.
